Kall-Su

Class: Wizard • Race: Human
Age: Unknown • Alignment: Lawful Evil
Known as the High King of Ice, his ice magic may be equal and opposite to Dark Schneider's fire magic. In fact, in this very volume you will finally find out which magic proves to be superior.

Tia Noto Yoko

Class: Cleric (White Magic) • Race: Human
Age: 17 • Alignment: Lawful Good
Although D.S. can barely keep his "sword" in his pants it would seem he truly does have a soft spot for Tia Noto Yoko. But does she have a "soft spot" for him?

Abigail

Class: Cleric (Black Magic) • Race: Human
Age: Unknown • Alignment: Neutral Evil
Once the high priest of Anthrasax and one of the Four Divine Kings—he was utterly destroyed by Dark Schneider in a fearsome battle. Will he suddenly appear in this volume? Why else would he be on this page!

Ninja Master Gara

Class: Fighter/Ninja • Race: Human
Age: Unknown • Alignment: Neutral
Also a defector from the Four Divine Kings, he now hangs out with Dark Schneider again, just like old times. Although he was temporarily missing, he returns to team up with Arshes Nei and makes an unbelievable boast!

Arshes Nei

Class: Fighter/Wizard • Race: Half-Dark Elf
Age: About 117 • Alignment: Neutral
A defector from the Four Divine Kings, this half-elf spell caster is Dark Schneider's adopted daughter-slash-lover. In this volume find out her never-before-seen origin!

The BIG SHOWDOWN is finally here! Eleven action-packed volumes of incredible manga all building to the ultimate climax! All the players are in place and the setting is the legendary lost ancient Elven city known as King Crimson Glory. Kall-Su's Sorcerer Shoguns finally come face to face with Dark Schneider's Samurai Army in an all-out battle! What does it mean? You know all the cool sketches of dudes in the back of these books wearing that awesome armor? Well they're gonna tear it up! And while that's going down, Kall-Su pits his legendary ice sorcery against Dark Schneider's powerful flame sorcery! The ultimate conflict—fire and ice! When these two collide the outcome can only be described as explosive. Plus, while all of this is happening the God of destruction Anthrasax is on the verge of breaking his final seal! With the possible annihilation of humanity on the line, can Dark Schneider keep his hands off of the ladies long enough to defeat the likes of Kall-Su?

THE CAST

Dark Schneider

Class: Wizard • Race: Human
Age: About 400 • Alignment: Chaotic Evil (with neutral tendencies)
One of the greatest sorcerers the world has ever known, also one of the greatest womanizers! An unlikely candidate who may well be humanity's last hope for survival—not a pleasant thought when you think about it

Hell's Requiem Mass Holy War III

THE STORY SO FAR

Robbed of its dignity, humanity is now being toyed with by the massive powers of evil. In this hopeless situation, the legendary wizard ***D.S.*** rises to battle in order to defend Princess Sheila, within whose body dwells the final seal hindering the resurrection of the ***God of Destruction***.

Once the wise young ward and devoted friend of D.S., the High King of Ice ***Kaal-Su*** stands against his mentor! They collide in a massive midair crash! However, during this cataclysmic battle, Kaal realizes the truth that he is being used by Anthrasax, the God of Destruction, and that he had lost control of his fate in the process. At that moment, Kaal turns the sword on himself right in front of D.S.'s eyes and takes his own life!
